

## **Tanga McDaniel Mohr**

September 2017

Department of Economics  
Appalachian State University  
Boone, North Carolina 28608

Phone: (1) (828) 262.2037  
Fax: (1) (828) 262.6105  
e-mail: [mohrtml@appstate.edu](mailto:mohrtml@appstate.edu)

### **Education**

Ph.D., Economics, University of South Carolina, USA.

B.S., Mathematics and Economics, University of South Carolina, USA.

### **Research**

Applied Microeconomics, Energy and Resource Economics

### **Employment**

Professor, Department of Economics, Appalachian State University; July 2017 – present.

Associate Professor, Department of Economics, Appalachian State University; July 2009 – present.

Assistant Professor, Department of Economics, Appalachian State University; January 2004 – July 2009.

Research Economist, Department of Applied Economics, University of Cambridge, UK; October 1997–  
October 2003.

Research Economist, Center for Research in Experimental Economics and Political  
Decision Making (CREED), University of Amsterdam; September 1995 - July 1997.

Research Assistant, Department of Economics, University of South Carolina; August 1991-August, 1995.

### **Visiting Positions**

Department of Economics and TILEC, Tilburg University; June 2005.

Institute D'Analisi Economica, Barcelona, Spain; May 2001

### **Teaching**

Appalachian State University: Principles of Price Theory, Law and Economics, Intermediate Price Theory,  
Introductory Business Statistics, Industrial Organization, Environmental and Resource Economics.

Guest Lecturer, Jacobs University Bremen: Experimental Economics, May 2009.

Lecturer, University of Cambridge: Utility Regulation, Lent 2000; Lent 2001; Lent 2002.

Supervisor, University of Cambridge: Utility Regulation, Microeconomics, Privatization.

Lecturer, University of Amsterdam/Tinbergen Institute: Introduction to Game Theory and Experimental  
Economics, Fall, 1996.

Lecturer, University of Amsterdam/NAKE: Experimental Economics, Spring, 1996.

Lecturer, Department of Economics, University of South Carolina: Principles of Microeconomics, 1994.

## Grants

- Office of Research and the RIEEE Cluster Research Award, *Water Cluster: Integrating Geology, Economic and Policy Analysis*. (with Kristan Cockerill (PI), William Anderson, Peter Groothuis, Chuanhui Gu and John Whitehead. 2016.
- Appalachian State University, University Research Council, Co-PI, *Public Attitudes about Water Management in Western North Carolina*, 2013-2014. (with Kristan Cockerill (PI) and Pete Groothuis (Co-PI)).
- Appalachian State University, Appalachian Foundation Fellows Grant, *Consumer management of energy consumption – a survey of NC households*, February 2009 – June 2010.
- McDaniel Mohr, T. M. (Co-Principal), Whitehead, J. C. (Principal), Hartman, T. K. (Co-Principal), "Multi-Mode Chesapeake Bay Menhaden Survey," Sponsored by Virginia Institute of Marine Science, \$51,415.00. (May 2010 - August 2010).
- Appalachian State University, University Research Council, Firms' *Strategic Use of Cheap Talk and Consequent Effects on Investment Cycles*, March 2007-March 2008.
- The Newton Trust, *Regulation and competition in utilities: an experimental analysis*, September 2002-September 2003.
- Economic and Social Research Council, UK *Efficient and sustainable regulation and competition in network utilities*, (with Emanuele Giovannetti, David Newbery and Michael Pollitt), April 2000-April 2003.
- British Nuclear Fuels Ltd, *Modelling the Review of Electricity Trading Arrangements for England and Wales*, (with Richard Green and David Newbery); January-March 1999.

## Consulting and Advisory Research

- Consultant, "Capacity Auctions versus Regulated Tariffs in Gas Markets" (with Karsten Neuhoff) for the Sociaal Economisch Onderzoek Rotterdam and the Netherlands Ministry of Economic Affairs, December 2001/January 2002.
- Consultant, "Entry Capacity Auctions and Investment Signals," (with Karsten Neuhoff) for Transco plc., August 2001.
- Consultant, "Locating a Combined Cycle Gas Turbine", for Transco plc., March 2001.
- Consultant, on the Impact of the New Electricity Trading Arrangements in England and Wales (with Richard Green), for British Nuclear Fuels Ltd, Spring 1999.
- "Memorandum on Competition in Electricity Supply" (with Richard Green) pp 66-7 in Select Committee on Trade and Industry *Developments in the Liberalization of the Domestic Electricity Market*, pp 354-66, HC 871 of 1997-98, London, The Stationery Office.
- Co-Investigator, "An Experimental Environment for Investigation of the Dutch Flower Auctions," Amsterdam, 1996/1997.
- Co-Investigator, "An Operational Survey of Richland County", Richland County, Columbia, South Carolina; 1994/1995.

## Publications

- Groothuis, P. A., Mohr, T. M., Whitehead, J. C. & Cockerill, K. M. (2017) "Endogenous Consequentiality in Stated Preference Referendum Data: The Influence of the Randomly Assigned Tax Amount." *Land Economics*, 93(2): 258-268.

## Reports

- Kirkley, J. E., Hartman, T. K., McDaniel Mohr, T. M., McConnell, K. & Whitehead, J. C. (2011). An Assessment of the Social and Economic Importance Of Menhaden (*Brevoortia tyrannus*) (Latrobe, 1802) In Chesapeake Bay Region. <http://web.vims.edu/library/GreyLit/VIMS/mrr11-14.pdf>

## Refereed Working Papers

- "Policy uncertainty and supply adequacy in electric power markets", (with G. Brunekreeft) TILEC Discussion Paper, DP 2005-006, University of Tilburg.
- "Entry Capacity Auctions and Investment Signals," (with Karsten Neuhoff), Cambridge-MIT EP-04 and Department of Applied Economics Working Paper 0213, 2002.
- "Auctions to gas transmission access: The British experience," (with Karsten Neuhoff), 2002. Cambridge-MIT EP 06 and MIT CEEPR WP 2002-007.
- "Modelling the Review of the Electricity Trading Arrangements: a model of forward trading and the balancing mechanism" (with Richard Green), 1999, Department of Applied Economics Working Paper, 0003(a).
- "Competition in Electricity Supply: will '1998' be worth it?" (with Richard Green). *Centre for Economic Policy Research* Discussion Paper 1814. March 1998 and University of California Energy Institute, Power Working Paper 057.

## **Unpublished Working Papers**

"Information in Dutch Flower Auctions: An Experimental Analysis," (with Mark Olson, Arthur Schram, and Frans van Winden), mimeo, CREED/University of Amsterdam, 1996.

"An Experimental Study of Strategic Incentives in Capacity Auctions" (with Andreas Nicklisch).

## **Referee for**

American Economic Review, Games and Economic Behavior, Economic Inquiry, Energy Journal, Experimental Economics, European Economic Review, Information Economics and Policy, International Review of Economics Education, Journal of Economic Behavior and Organization, Journal of Economics Education, Journal of Environmental Management, Journal of Public Economics, Journal of Political Economy, Utilities Policy.

## **Professional Conferences Presentations and Seminars**

March 1996, European Public Choice Conference. Tiberius, Israel. Presented: "An Experimental Test of the Incentive Compatibility of a Condorcet-Consistent Voting Rule."

October 1996, Economic Science Association. Tucson, Arizona. Presented: "Information in Dutch Flower Auctions: An Experimental Analysis."

Co-organizer, 1996 Amsterdam Workshop on Experimental Economics.

Program Committee and discussant, 1997 European Public Choice Conference. Prague.

May 1998, Energy Modelling Forum, Washington, DC. Presented: "Competition in Electricity Supply: will '1998' be worth it?"

October 1999, Workshop on Competitive Electricity Markets: Pricing, Investment, and Environmental Impacts-Sharing Western Experience with Countries in Economic Transition. Krakow, Poland. Presented: "Liberalized Energy Markets: the UK experience."

January 2000, Private Initiatives in Infrastructure Building in Developing Countries, Makuhari-Chiba, Japan. Presented: "Private Initiatives in the England and Wales Electricity Supply Industry."

October 2000, discussant, Experimental Science Association, Amsterdam.

June 2001, Experimental Science Association, Barcelona. Presented: "Voting Games and Computational Complexity".

April 2002, panel participant, London Business School, Regulation Initiative. Presented: "Auctions of Capacity in Network Industries".

June 2002, Experimental Science Association, Boston. Presented: "Asymmetric Demand Information in Uniform and Discriminative Call Auctions: an experimental analysis motivated by electricity markets".

September 2002, Auctions and Market Design: Theory, Evidence and Applications, Milan. Presented: "The Use of Long-Term Auctions for Network Investment".

April 2003, The Cambridge-MIT Institute workshop, Cambridge, UK. Presented: Auctions for Access.

October 2003, Experimental Science Association, Erfurt, Germany. Presented: "Prices as indicators for scarcity – an experimental study of a multistage auction."

May 2004, Experiments in Natural Resource Economics: Fisheries and Energy, Akureyri, Iceland. Presented: "Prices as indicators for scarcity - an experimental study of a multistage auction."

November 2004, faculty seminar, Tilburg University, Netherlands.

September 2006, Economic Science Association, Nottingham, England. Presented: "Strategic Use of Cheap Talk with Demand Uncertainty."

June 2008, Economic Science Association, Pasadena, California. Presented: "Cheap Talk and Investment Cycles."

November 2010, Southern Economic Association, Atlanta, Georgia. Presented: "Should We Reconsider Retail Competition (in North Carolina)?"

May 2012, National Conference on Teaching Economics, Boston Massachusetts. Presented: "iclickers and student performance."

April 2015 Paper discussant and session chair at the 10th Annual Appalachian Conference in World History and Economics.

June 2015, Western Economic Association, Honolulu Hawaii. Presented: "Payment and Policy Consequentiality in Contingent Valuation: An example using WTP for water conservation" and "

June 2015, Western Economic Association, Honolulu Hawaii. Presented "Fuel poverty in the U.S: Evidence from the 2009 RECS."
